

Class 26: About the Projects

Held: Friday, 4 April 2008

Summary: We consider the project component of the course and try some sample explorations of data.

Notes:

- I will continue to reserve time at the start of class for discussion of campus issues.
- Monday's class will be review for the exam. I am distributing a sample exam (on two fewer sections) in preparation for Monday's review.
- For Monday's class, submit five things you'd like on the notes to be distributed along with the exam.

- Handouts: Project Overview and Codebook for First-Year Survey.
- Due: Activities 19-7, 19-12, 19-13, 19-19, 19-22.

Overview:

- Purpose: Independent Statistical Analysis.
- Dataset: Information on Grinnell Students.
- Activities (Mini-Project): Memo, Lightning Presentations.
- Activities (Full Project): Short paper (2-3 pages), Poster.
